

## PATH STREET OUTREACH CALENDAR

June 2019

Community Housing Network operates a street outreach program in Macomb and Oakland counties, funded through a PATH (Projects for Assistance in Transition from Homelessness) grant. PATH team members canvas the community to identify those who are “on the street” homeless and have severe mental illness to link them with housing and supportive services.

This calendar provides the community with a list of scheduled places where the team will be providing outreach services in the coming months and is routinely updated with input from community partners and stakeholders, including the local Continuum of Care.
