

The Alliance for Housing 2026 Renewal Application and Scoring Continuum of Care Program Competition

The Alliance for Housing developed a renewal process to determine if Permanent Housing, Transitional Housing and Rapid Rehousing projects are performing in accordance with HUD requirements and CoC expectations. This year, grants will be renewable under the CoC Program Competition as set forth in [24 CFR 578.33](#) to continue ongoing leasing operating, rental assistance, HMIS, and project administration costs. As set forth in [24 CFR 578.33](#), projects may renew under the FY 2026 CoC Program Competition NOFO to continue ongoing leasing, operating, supportive services, rental assistance, HMIS, and project administrative costs.

Annually, the Alliance for Housing reviews these projects and provides guidance for renewal project funding. Scoring guidelines are listed within this document to determine if agencies comply with renewal criteria and meet the required threshold. The Alliance for Housing will provide explanations for projects that are rejected or reduced.

The deadline for submitting this scoring application and supplemental information (attachments) is due **Thursday, July 16, 2026 5:00 PM** to the Grants and Community Manager via email (acuniberti-alliance@oaklandhomeless.org). Applicants that do not meet this deadline may be subject to funding reallocation or loss of funding.

The Alliance for Housing Prioritization Committee will meet, review and provide priority and ranking of projects on **Thursday, July 30, 2026**. The priority ranking (tier 1 tier 2 and bonus) will be sent out via listserve and posted on the Alliance for Housing Website on **Friday, July 31, 2026**.

The deadline for submitting all project renewal applications in ESNAPS as well as submitting an email pdf copy of the ESNAPS application to the Alliance for Housing, Grants and Community Manager (acuniberti-alliance@oaklandhomeless.org) is **Monday, August 10, 2026 5:00 PM**.

Ranking

In alignment with the 2026 CoC Program NOFO, existing projects will not be automatically renewed during the FY 2026 competition. As stated in the FY 2026 NOFO, projects will be divided into two tiers, wherein Tier 1 applicants will have funding priority over Tier 2. Tier 1 applicants will be prioritized by their ranking score, high performance, and meeting the needs and gaps as identified by the CoC. The CoC will review system performance measures related to the projects.

Based on guidelines set forth by HUD, ranking will also be prioritized for projects in the following order:

Renewal projects/new projects

- a. HMIS
- b. Renewal PSH Projects
- c. Transition grants (RRH -> TH/SSO, PSH -> TH/SSO)
- d. New projects created through bonus (ranking of bonus application priority TBD by Prioritization committee)

Refer to 2026 Notice of Funding Opportunity (NOFO) for the Continuum of Care Program Competition for a more detailed description of applicant updates.

This may change with further guidance from HUD and the Alliance for Housing reserves the right to change and or add renewal criteria.

The FY2026 CoC planning grant will not be ranked per the NOFO therefore will not be tiered.

Renewal Project Threshold Score

Renewal projects are scored on 6 components: Financial performance, CoC participation, coordinated services/connection to services program performance, HMIS compliance and Point in Time participation. The threshold for renewal is 65%. Projects below this threshold may not be eligible for refunding and will be offered technical assistance to improve project performance for future applicability.

The Alliance for Housing reserves the right to make decisions on which projects should receive funding and/or the amount awarded based upon recommendations of the Prioritization Committee.
