---------------------	------------------	----------------	---------------

Item	Discussion	Outcome	Action Item	Responsible Person and Due Date
1. Identify Positive Destinations	<ul style="list-style-type: none"> - Increase positive destinations to 85% for TH, RRH & PSH - Improve HMIS data quality for income, non-cash benefits, and insurance sub-assessments - Work group has been created to identify explanations for why we are not meeting the benchmark and ideas with how to address it. 	<p>Created outline in Outcomes Google Folder. Please see Google Folder for more details.</p> <p>Expand FS to RRH to help with the barrier of criminal backgrounds.</p> <p>- As long as explanation that the program participant is going the things they need to do. Still taking on going</p>	<p>Leah will reach out to Detroit and Washtenaw CoC to see what their best practices are and how they are hitting the benchmark</p> <p>RRH can start sending their referrals to FS.</p>	<p>Leah will notify SOS/LH</p>

<p>2. Listen for Good</p>	<p>Had a sub-committee meeting. Discussed questions that would be for a standard community survey.</p>	<p>steps.</p> <p>Started making a list of different CM strategies and mechanisms, data entry things that can be done within the system to make sure that everybody is aware of these issues and the definitions and what certain things mean.</p> <p>More updates to come</p>	<p>Idea is to create a webinar for everyone within the CoC, all CM that are looking at discharge destinations. Resources for the entire CoC.</p>	<p>Rebecca will send to Angela</p>
<p>3. Landlord Mitigation update</p>	<p>Leah working on getting a meeting set up with the new county executive because they are still interested in possibility funding through the county.</p>	<p>We have asked for \$100,000</p>	<p>We will have to work out the specific details for eligibility, timing, etc.</p> <p>It will be for all our projects</p>	
<p>4. Annual Report Update</p>	<p>Angela has asked a few people to review, if you are interested in the review process let Angela know.</p>			
<p>5. Distribution of Persons in RRH &</p>	<p>Last year we collected addresses for every</p>			

PSH for 2019	individual that was housed in RRH and PSH and created a map that shows the distribution throughout the county. - A lot of the concentration is in Pontiac, around Pontiac and in SE OC	Would like to do again for this year. Helps with talking to LL and the County to advocate for more affordable housing.		Taylor will gather information from the agencies. - People that are actively in program - Just the zip code
6. Stakeholder feedback - Follow-Up Surveys Results	Angela edited the report for it to break it down by RRH and PSH. Nothing for TH right now.	Group went over the results. 'Unknown' are prior to dividing them out. - Majority are still housed - Fewer are in the same unit - Risk of being evicted - Experienced homelessness When surveys are done they are referred to the HARA		
- Traveling Focus Groups	October 8 th , 2019. After the Registry meeting at 11:00 at OCHN. Bart is coming to present about the Survey and Focus Groups.			

- **Next meeting will be October 10, 2019 9:00 at OCHN 5505 Corporate Dr. Troy, MI 48098**
